CRUSADE AGAINST SALOONS

Lincoln Applicants Tor License to Confront Some Energetic Protestants.

Remonstrator Questions the Right of the Excise Board to Grant License to Sell Intaxia cating Liquors.

LINCOLN, April 13 .- (Special.) - The crurade against Lincoln gamblers has been followed by a raid on the saloon keepers When the excise board meets tomorrow morning at ten o'clock to mass upon the applications for saloon licenses it will be confronted by remonstrances against twelve and possibly more saloon keepers. The remonstrators are J. D. Andrews, a stone cut, ter; Moritz Adler, a pawnbroker, and Alex and George Weber, grocerymen. In each instance the remonstrances are practically the same. They charge illegal selling of liquor on election days, after 11:30 at night, permitting gambling on their premises, permitting lewd women to frequent their places, selling to minors and habitual drunkards, and non-residents in the wards in which the saloon keepers transact business. One of the remonstrances attacks the validity of the law authorizing the excise board to issue licenses for the sale of liquor. At the meeting of the city council this merning a communication was presented from R. H. Townley recommending the passage of an ordinance which would do away with accidents such as caused the

death of his little daughter, Lisa, a few days since. She was killed while stepping days since. She was killed while stepping from behind one street car directly in front of another which was running at full speed. Councilman Geisler promised to have an ordinance drafted and ready for the next meeting. A communication was also received from City Attorney Abbett stating that the services of his assistant, W. S. Hamilton, were unnecessary, and asking that an order be made dispensing with such serv icos. The recommendation was adopted and Mr. Hamilton notified of his removal by the city clerk. This afternoon Fred Webber and Richard

DuBois were arrested on the charge of grand larceny. The complainants are several young men, who recently gave a min-strel performance at the Y. M. C. A. auditorium and lost several suits of clothes, a couple of overcoats and a gold watch. One of the suits was recovered from DuBois. One of the suits was recovered from DuBois.

The application of Charles E. McHugh for a writ of habeas corpus was filed today with the clerk of the supreme court. Error is assigned from the district court of Gage county. On March 11, 1896, McHugh, alias John Wilson, was arrested at Beatrice, on requisition papers from Governor Dubos of Lowa, on requisiting May Beatrice, on requisition papers from Gov-ernor Drake of Iowa, on complaint of May Nutting of Hawarden, Ia., charging him with seduction. Application for a writ of habeas corpus was made to the district court of Gage county and refused. The complainant, Miss Nutting, is 30 years old, and says in her deposition that the crime was committed at Hawarden, November, 1894. McHugh is 31 years of age. Miss Nutting buried her child four wagets before she made McHugh is 31 years of age. Miss Nutting buried her child four weeks before she made the complaint. McHugh was indicted in Sioux county, Iowa, on the 17th day of February, 1896, and subsequently fled to Gage county, this state. The requisition papers were served on him by Sheriff P. S. Schaap of Sloux county.

See how the cigarette smoker's hands tremble: the anxious look on his face tells of irregular heart-beat; his nervousness betrays itself in a dozen-ways. If you are a cigarette smoker you are never feeling quite at ease unless you are puffing a stinking little nerve wrecker.

OUTLOOK IN VALLEY COUNTY.

Farm Conditions Around Ord Are of the Most Encouraging Sort. ORD, Neb., April 13.-(Special.)-Since Saturday evening up to this morning the government rain gauge here has registered two inches of rainfall. It has rained continually during that time and the ground has absorbed it all. The ground was in excellent condition before the rain and winter wheat and rye are looking fine; spring wheat is all sown and the early seeding is coming up. There is an unusually large acreage of small grain sown this spring. No cultivated land will be idle in this county this year. Stock of all kinds has come through the winter in good condition. Farmers as a rule have succeeded in getting quite a lot of hogs and they report them doing well.

Everybody feels good over the outlook for a good crop this coming year. The land under irrigation between here and North Loup, and also between here and Burwell. will all be cultivated, and farmers are contracting for water, regardless of the increased rapifall during the winter and spring. A good many who left their farms here in 1894 and went to Missouri and Arkaneae have returned to Valley county and are farming earnest. Their voices are heard above all others in praise of central Nebraska.

League Ball Teams Donate to the Harry Wright Fund. NEW YORK, April 13.—Throughout the ountry all base ball organizations playing under the national agreement set aside the proceeds of today's games as a contribution to the fund with which it is intended to erect a monument to the memory of the late Harry Wright. According to reports received tonight a handsome sum has been realized. New York's contribution, however, Browns Get Pitcher Wood

team was pitted against the Pittsburgs, 1,200 people attended. At Cincinnati, where the Reds played against a team composed of veterans who were with the Reds in '83, 1,255 spectators contributed over \$300. The scire was 7 to 3 in favor of the youngsters. At Louisville the league team played against local amateurs before 200 people. The Chicago league team played at Kansas City with the Western league team, the game netting \$100.

One of the most interesting gatherings was at Rockford, Ill, where over 2,000 people witnessed a game between some of the old time players. A special train from Chicago took a big delegation headed by A. G. Spaulding, with many of the old Forest City club in the party. A parade over a mile long preceded the contest and was purticipated in by bands, militia, cyclists. equestrians, old players, civic societies and citizens. Two teams were made up from the veterans, Spaulding and King being the battery on one side and Fisher and Larue on the other. Only one inning was played, in which the score was 4 to 0 in favor of Spaulding's team, runs being made by Spaulding's team, runs being made by Spaulding King, Barker and Buckman. A terrific rain storm then came up and stopped the game. The receipts were in the neighthe game. The receipts were in the neigh-borhood of \$500. An elaborate banquet was tendered the visitors at night.

at Bumstead hall tonight at the opening of the cushion carom tournament in which Frank Ives, Jacob Schaefer, Albert Garnier and Maurice Daly are the contestants. It is the second series of international billiard tournaments for a purse of \$5,000 offered by Maurice Daly of New York. Each of the players is scheduled for three games, playing each of the other three men. The games will be 300 points and up. Fred Eames is referee.

Schaefer and Garnier were pitted against each other tonight and though the latter was defeated, experts believe that he is more at home in the cushion carom game than is his opponent, and will make a better showing than he did in the recent eighteeninch balk line game played in New York. Both seemed nervous when the game opened and neither scored in the first inning, but in the second Schafer made a run of thirty-five; again in the fifteenth, thirty-two, and in the twenty-fifth nursed them for thirty-mine points; with a total of 187 runs. After that, however, he failed to show up in the accustomed form and though Garnier played much better in the second half, he was unable to overcome the lead. The score:
